

NACSW LIVE AUDIO CONFERENCE WORKSHOP ON September 24, 2007!

**Audio Conference
Abstract**

“Show me the Money!”
Grant writing 101 is a practical workshop for social work professionals and students who are interested in knowing how to access private and public funding with special though not exclusive attention to faith-based and community organizations. This is an introductory workshop, so no previous knowledge of grant writing is needed.

For additional information contact:

"Grant Writing 101"

**September 24, 2007; 1 - 3 pm
(Eastern Standard Time)**

**Dr. Kimberly Battle-
Walters Denu**

Learning Objectives

- Learning important grant writing vocabulary
- Learning steps to writing winning proposals
- Discovering why proposals are funded or rejected
- Participants will be given helpful resources to assist in their grant writing endeavors.

Kimberly Battle-Walters Denu, Ph.D., is a Fulbright alumna to South Africa. She has published works on African-American issues, women and family matters, welfare reform and international relations. She is an ordained minister, has degrees in both sociology and social work and continues to teach for Azusa Pacific University's Operation Impact Program. Her social work experience is in the area of abused children and adolescent teen mothers.
