

Navigating End-of-Life Issues with Clients: An Overview for Social Workers

Session Outline

August 2, 2014

Julie Griffin, MSW

I. Moving Beyond Procrastination - Knowledge Provides Courage to Act (15 minutes)

- *Throughout the Scriptures there is an underlying theme encouraging the reader to, "Get everything in order because a time is coming..."*

II. Exploring Individual Needs and Demystifying Personal Fears (15 minutes)

- *Scriptures encourage us to "Cast all of your anxieties on him, because he cares for you" (1 Peter 5:35)*

III. Professional Collaborations and Community Referrals (30 minutes)

- *Overview the roles and responsibilities of attorneys, medical providers, insurance, Veterans Affairs, Social Security, and funeral directors as they related to end-of-life issues*
