We are excited for you to participate in the NACSW 76th Annual Convention!

This November, the North American Association of Christians in Social Work (NACSW) will bring together more than 500 Christian social workers, educators, students, clergy, and social service advocates for a dynamic time of learning, networking, and spiritual enrichment. The convention will feature more than 100 workshops and poster sessions, opportunities to earn continuing education credits, and meaningful connections with professionals committed to integrating faith and social work practice.

Social workers are continually seeking products and services that streamline administrative tasks, strengthen practice effectiveness, and improve outcomes for the individuals and communities they serve.

As a community partner, you have a unique opportunity to connect with this engaged audience of professionals who are actively looking for tools, resources, and services that support their work. This is a chance to share what's new, what's effective, and what truly works as they apply these insights in their daily practice.

If you have questions, please contact NACSW at
convention@nacsw.org.
